Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.

The Quaker City now boasts of a record-breaking woman swimmer. Miss Olga Dorfner has just set a new mark for women in the 100-yard swim. She made the distance in 1 minute 9 3/5 seconds, easily defeating a large field of competitors. This is the fastest time ever made by a woman swimmer in America.

The Supremacy of Peruna as a Household Remedy

44 Years of Leadership

Returned to His Work.

Mr. Julian Gondeau, Erwinville, La., suffered with catarrh of the stomach. He did not know what his trouble was. He was unable to work. Could hardly eat anything. After taking Peruna a short time he is now in perfect health. He says: "I am now doing all my work. I am confident that any one suffering as I was could be cured by Peruna."

Every Change of Weather.

Mr. E. Arnold, Westerville, R. I., contracted a severe cold. The cold settled in his side and produced a condition that was thought to be pleurisy. Every change of weather would bring a return of his trouble. After taking Peruna all his ailments have vanished.

Pain in the Stomach.

Mr. Henry Kneek, Box 856, No. 1118 S. Vista Ave., Janesville, Wis., writes: "I wrote you about four weeks ago that I had a pain in my stomach. I followed your advice, and used three bottles of your Peruna, and I am all right now. I am very thankful for your advice and your medicine."

A Housewife Restored.

Mrs. R. W. Copelan, Box 22, Greensboro, Ga., suffered several years with catarrh of the stomach. She was in such poor health she could not attend to her household duties at all. Peruna was recommended by neighbors. She was induced to begin the use of Peruna. She says: "After taking five bottles of Peruna I am happy to say that I am entirely cured. My indigestion is entirely gone."

Once a Chronic Invalid.

Mrs. E. River, 503 Grant Ave., East Cedar Falls, Iowa, was once a chronic invalid. Four different doctors had been consulted without avail. She had taken five different medicines but had been recommended, without improvement. Peruna was tried and the good result was prompt and lasting.

Expresses Her Gratitude.

Mrs. Samuel Ruth, 553 Union Ave., Lebanon, Pa., is able to say positively that she has been cured by Peruna. She can scarcely find words to express her gratitude for her recovery. For many years she had been a semi-invalid from chronic catarrh.

Three substantial men, heads of families, made efficient once more by Peruna. Three housewives restored to their families. These are only samples of what Peruna is doing every day, everywhere. Surely, this is a splendid work. Anything that conserves family life and makes the home more desirable and comfortable, nourishes the heart root of civilization. Peruna is a great civilizer.

estate. Christian is already one of the best and wealthiest counties in the State and the voting of this bond issue means a greater Christian and a Greater Hopkinsville.

The friends of good roads from Todd and the State at large have their eyes on Christian in this forward step, and the friends of the cause should get very busy from now on and see that no friend goes to sleep at the switch.

Births and Deaths.

An increase in births in Kentucky from 61,135 in 1914 to 63,478 in 1915, and a decrease in deaths from 30,139 to 28,913 in the same period are shown by the preliminary vital statistics report of Dr. W. L. Heizer, State registrar.

TEACHERS MUST

WAIT FOR SALARY

Will Only Get Part of Their Pay During March.

Frankfort, Ky., March 10.—3c—cause the law prevents the transfer of fines and forfeitures, dog tax and other revenues, amounting to several hundred thousand dollars, to the State school fund until the end of the fiscal year, June 30, State Superintendent V. O. Gilbert stated yesterday that he will be able to make only a partial distribution of the March payment for teachers.

The treasury will disburse for this purpose about \$190,000, this month. The total amount of the March distribution is \$565,000 and the balance will be paid in June.

This is the first year of the seven months' term. The first six distributions were made promptly and there is sufficient in the treasury to meet the March distribution; but under the law it cannot be transferred to the credit of the school fund before the end of the year, when there probably will be a small surplus to apply on the next school year.

The estimated school revenues for the year were \$4,147,222.89. The total amount credited to the school fund up to March 1 was \$3,680,342.48, of which \$3,423,544.37 had been distributed to the cities and counties, leaving a balance at that date of \$256,798.11.

ANCIENT LODGE ROOM.

Of the Masons of Hopkinsville Was In Grant's Residence.

Few people are now living in Hopkinsville who know that the Masonic Hall long years ago was in what is now a private residence. The pioneer citizen Archibald Gant, grandfather of Mr. C. F. Jarrett and Archie S. Gant, when he built the Grant homestead on Main Street, now owned and occupied by George Kolb, had an upstairs room made twenty feet square, in which the lodge of that day held its meetings. Mr. Gant was a great Mason and a man of wealth and the meeting place was furnished by him without expense to the lodge. The Grand Lodge will meet here this year and renewed interest attaches to the lodge room of 75 years ago, which is still in existence.
